

AWARD-WINNING SPEAKER MARK DENTON

NAVIGATE THE STORM

HOW TO GET ORDINARY PEOPLE TO ACHIEVE THE EXTRAORDINARY
WHEN THE **ONLY WAY OUT IS THROUGH**

HIGHLY RELEVANT LEARNING

Learn why the combination of these three factors are all you need for sustainable performance AND resilience in the turbulent world of today

SAFE - Why Physical, Emotional and Psychological Safety are the crucial foundations of collective human endeavour.

HAPPY - That without Inclusion, Motivation and Self Actualisation, people will never give their all.

FAST - How Focus, Efficiency and Agility are the 'must-haves' to thrive through constant adversity and change.

A UNIQUE APPROACH

Mark is a rare mix of authentic leader, fallible human being and gifted story teller.

His humorous but poignant story of leading a diverse amateur team to success in the world's toughest yacht race is as compelling as you will get.

That combined with amazing footage, stunning images and the most powerful takeaway messages has proven an intoxicating and memorable mix across any industry, sector or border.
